

## Episode 246 Saturday 30 August 2008 Riverfire Special

### Frog Forest Bridget Adams

Frog Forest is an interactive exhibit that brings together the recorded sounds of 40 frog species from across southeast Queensland.

Visitors have the opportunity to read informative panels about each frog, before jumping on the trigger station to reveal the frog's unique call.

The exhibit has been set up along South Bank's rainforest boardwalk and is guaranteed to be a hit with kids!

29 August - 5 September

### Manly Harbour Festival Sofie Formica

The Manly Harbour Festival is a celebration of bayside living and culture. Kicking off the celebrations is the Brisbane Manly Flotilla, which will see a large group of boats make their way along the Brisbane River to coincide with *Riverfestival* celebrations.

The Manly Festival will feature a range of free music, theatre, visual arts and water sports. Local restaurants are also getting into the spirit of things, each adding a special dish to their menu inspired by National Fish and Chip Day.

### Our River, Our Stories – Buddha Handy

The *Our River, Our Stories* exhibition highlights the Brisbane River's role in the development of our city. It draws from the collections of six museums across Brisbane – Diamantina Healthcare Museum, Mercy Heritage Centre, Queensland Maritime Museum, Redcliffe Museum, St John's Cathedral and the Brisbane Tramway Museum.

The items in the exhibition take visitors on a journey from the exploration of Brisbane River, right through to recent settlement.

The exhibition will run throughout *Riverfestival* and until the end of November.

## QLD Event HM Bark Endeavour

For a unique boating experience on the Brisbane River, make sure you get down to Portside Wharf.

The HM Bark Endeavour, an incredible replica of the ship Captain Cook first sailed into Australian waters, has come to Brisbane as a special *Riverfestival* treat.

Take the whole family along for a tour of the Endeavour and an amazing insight into life at sea during the 18<sup>th</sup> century. Explore the mess deck, the great cabin and admire botanist Joseph Bank's journal.

So all board the HM Bark Endeavour for a trip back in time!

## QLD Event Green Screen

The Gallery of Modern Art will join in the *Riverfestival* celebrations, playing host to the Green Screen Exhibition.

Showing exclusively as part of the festival, it's a collection of some amazing environmental documentaries that have only just recently hit the big screen.

One of the highlights is *Garbage! The Revolution Starts at Home* – a lighthearted but not lightweight look at making an environmental difference in your own back yard.

You can see all the films for free, and it's only for a few days, so don't miss out on seeing these groundbreaking flicks on the green screen.
