

## TERMS AND CONDITIONS

Prior to accessing and hiring the Centre all Hirers must have a current Hiring Agreement.

Hirers and any invitees of the Hirer are required to strictly comply with the Centre Code of Conduct and all Centre Procedures, failure to do so may result in Hirers and/or participants being asked to leave the Centre.

All persons accessing the Centre are required to sign the access and use notice which confirms that participants understand the Code of Conduct and agree to abide by it.

The Centre is a driver training, education, research, testing and safety Centre, it is **not a racetrack**, as such some activities are not permitted including drifting and racing.

The safety of all Centre Hirers, participants and guests is of paramount concern. All persons accessing the Centre must:

- Comply with designated speed limits;
- Follow all signage;
- Wear appropriate safety equipment;
- Follow safety directions;
- Only undertake activities that you/they are comfortable with and can do safely based on your own technical/driver ability and expertise.

We also ask all participants to be mindful of our neighbours and other users of the Centre. As part of maintaining the amenity of our neighbours, noise monitoring is undertaken and failure to comply with requisite noise limits may result in the activities not being able to continue to be undertaken. Sound control at the Centre is conducted in accordance with procedures and guidelines set out in Australian Design Rule 83/00 External Noise, and the Environmental Protection Act 1994.

### Important Items to Note

- The Centre Code of Conduct and Centre Procedures are available on request.
- All pricing details are available on request.
- Any person operating a vehicle must have a valid Australian drivers' licence, otherwise permission must be sought to rely on a valid International Drivers Licence.

Should you have any queries in relation to the above information, Centre Management will be happy to discuss further.
